

# Internship in Supply Chain & Logistics

## Attention early adopters and innovators!

Do you want to make a difference for a better world and cleaner oceans? Do you also believe we need new ways to produce sustainable food for future generations? Then join us in working on something that makes a big impact (and is a lot of fun) – at **REVO FOODS!**

At Revo Foods, we believe in a world where fish and meat can be produced without harming the environment or exploiting animals. How do we make this possible? Through 3D food printing of plant-based meat. Sounds like the future? Yes – and with your help, we can make it a reality!

## What we are looking for

We are looking for a **Logistics Intern** for a period of 4–6 months. Revo Foods is growing quickly, continuously entering new markets, and expanding its product portfolio. As an intern, you will become an integral part of our Logistics Team in production and help us organize, manage, and further develop our logistics processes at our production site in Wolkersdorf im Weinviertel. Your responsibilities will include:

- Help us improve our day-to-day logistics operations
- Create and update standard operating procedures (SOPs) to ensure processes are clear, structured and scalable
- Review and improve our current processes
- Work closely with production, the warehouse and the production team to solve problems on the ground
- Take responsibility for small but important projects and drive them forward
- Get involved in day-to-day operations – not just as an observer, but as an active contributor!

## Who you are

- Currently studying Business Administration, Supply Chain Management or a similar subject
- Interested in logistics, operational processes and process optimisation
- A proactive, independent and structured approach to work
- Willing to take responsibility
- Not afraid of a bit of chaos – and motivated to bring structure to it!

## What we offer

- A great team with dedicated colleagues
- The chance to actively contribute to a better and more sustainable future
- Fun after-work team events
- This internship is currently unpaid, but offers you the opportunity to gain in-depth insights into a fast-growing start-up, work closely with our leadership team and take on responsibility for real challenges in a pioneering industry

**You might be a great fit even if you don't meet every single point.**

If this role excites you, we'd love to hear from you!

**Our internships are unpaid.**

Please send your CV to [people@revo-foods.com](mailto:people@revo-foods.com).

*All qualified applicants will be considered regardless of origin, gender, age, sexual orientation, or any other characteristics.*
