

Internship in Finance

Do you want to work for a better world and cleaner oceans? Do you also think we need a better way to produce food for future generations? Work on something that has a huge impact (and is awesome) with **REVO FOODS!**

We at Revo Foods believe in a world where we can produce fish and meat without polluting the environment or exploiting animals. How we do it? By using 3D Food Printing of plant-based meats. Sounds like the future? Yes, and we are making this future possible with your help!

What we are looking for

We are looking for a **Finance Intern** who will join our team for a duration of **6 months**. Are you ready to take on diverse tasks and actively contribute to the success of our company? In this role, you will support our CFO in all financial and daily business operations. You will take on exciting responsibilities in finance, controlling, accounting, logistics, and operations. You will collaborate closely with various departments such as production, sales, logistics, and food tech, gaining valuable insights into different areas of our company. If you're looking for a dynamic environment with varied challenges, this is the perfect opportunity for you.

Responsibilities:

- Financial modelling which includes P&L, Balance sheet and Cash-flow Forecasting
- Providing relevant information to the CFO through reports to support the decision-making process of the organization
- Responsible for logistical projects and improvements in our logistics processes
- Production Controlling
- Close collaboration with other departments such as Sales, the Production team and our Food technologists
- Operational tasks and ad-hoc requests that come up daily and are very diversified

Requirements:

- Currently pursuing a degree in Finance, Business Administration, Accounting, Supply Chain Management or a related field
- Ability to work with numbers, analyze data, and think critically to support decision-making
- Understanding financial concepts, budgeting, or bookkeeping is a plus
- Willingness to take initiative and work in a fast-paced environment.
- Fluent in English (German is a plus)

What we offer

- A great team with dedicated colleagues
- The chance to actively contribute to a better and more sustainable future
- Fun after-work team events
- This internship is currently unpaid, but offers you the opportunity to gain in-depth insights into a fast-growing start-up, work closely with our leadership team and take on responsibility for real challenges in a pioneering industry

You might be a great fit even if you don't meet every single point.

If this role excites you, we'd love to hear from you!

Our internships are unpaid.

Applicants from EU countries outside Austria may be eligible to apply for Erasmus+ Internship funding through their home institution, which can provide financial support during the internship.

Please send your CV to people@revo-foods.com.

All qualified applicants will be considered regardless of origin, gender, age, sexual orientation, or any other characteristics.
